Dear friends,

Welcome to our very short Summer edition of the CTTA newsletter (or rather a flyer!!). Just a reminder for all our members that there is an Annual General Meeting (AGM) held at the Town Hall on Wednesday the 20th. July 2005 at 8.00 p.m. All are welcome, so if you can attend please do so. An invitation and a nomination form can be found on page 2.

One of the most important events in this year's CTTA calendar is the bi-annual visit (09-17th July 2005). This year our Dorsten friends will come to visit Crawley. All our committee members were and are still busy in preparation of a an interesting programme for all the guests and hosts. A slight disappointment for this year is that due to lack of funds we could not organise another joint residential youth programme for Dorsten and Crawley youth. However we are still trying to organise a varied sport/outdoor activities for our younger visitors on a daily basis. Despite of all the above challenges, we do hope that this year's visit will be as successful as the previous main group visits in Crawley. A report of the outcome for this visit will be included in our next edition of the newsletter (in Autumn).

I would like to take the opportunity and on behalf of our CTTA committee to thank Jacky May for organising the accommodation and hosting arrangements for our Dorsten visitors. As usual this has proved to be quite a tricky task. This is also partly due the fact that this year our visitors are coming just before the schools break up for the summer and those in Crawley below the age of 16 will still be in school during that week.

This year the dual Committee meeting will be held in Dorsten from 23rd. September to 26th. September.

May I also wish all our members and Crawley friends a pleasant and peaceful summer break.
